

## COTTON PLANT

Cotton Plant, Nov. 10.—Our farmers are busy digging potatoes. Some have made a fairly good yield, others having a poor yield. The gardens are needing rain.

Mrs. D. N. Barco and bright son returned Sunday from a several days business and pleasure trip to Arcadia. En route home they stopped off at Inverness with Mrs. G. I. Singleton.

Dr. and Mrs. W. R. O. Veal of Martel were callers at Mr. C. R. Veal's Friday morning.

Prof. G. F. Turner and Miss Helen Thornton, the efficient teachers of Cotton Plant and Homeland, were between train visitors to Ocala Saturday.

The Amusement Club held its weekly meeting at the home of Mr. Harry Woodward last Wednesday night with a "tacky party." Everyone enjoyed hearty laughs as the "tackies" would come in. The club meets this week with Miss Parker.

Mr. W. J. Seckinger of Martel attended Sunday school Sunday and was the dinner guest of Mr. and Mrs. A. W. Woodward.

D. N. Barco is having his household goods hauled over from Leroy this week, they having been shipped up from Arcadia.

Miss Rachel Veal was the guest of Miss Helen Veal of Leroy Sunday night.

Mr. F. M. Morris was a visitor to Ocala Monday afternoon.

Messrs. W. D. Parker, A. S. Harroun, Harry Woodward and Misses Helen Veal and Carrie Barco motored to Ocala Monday evening and in company with Miss Katie Mae Eagleton attended the picture show. After enjoying the pictures the young folks spent some time at the home of Miss Katie Mae very pleasantly before returning home.

Brother G. O. Turner of Gaiter will be at St. Johns church Sunday and preach for us. Sunday school at the usual time and preaching immediately afterwards.

The friends of Mr. and Mrs. Leslie L. Horne regret very much to hear of the serious accident which befel their little girl last week. The news was received through the school children and we hope was not as serious as thought for.

D. M. Barco attended quarterly conference meeting at Dunnellon Saturday. He reports a good meeting and work progressing at all the charges on the circuit, altho all are a little behind with the pastors' salary, but are sure of paying up in full before the close of the conference year. Remember, the third Sunday in November will be Brother Major's last appointment here before conference. Let everybody come out and rally to the support of our church and its cause.

Mr. W. E. Veal of Leroy was a business visitor to Tampa Saturday.

## BLITCHTON

Blitchton, Nov. 10.—Miss Mabel Hendrix of Morrilton was the weekend guest of her sister, Mrs. B. C. Blitch.

Messrs. J. W. Coulter and W. P. Hammons visited Morrilton Saturday.

Mr. Roy W. Lewis of Lake City, preached here Sunday to a large audience.

The Lake City papers are loud in their praise of the star game Quarterback Blitch played in Lake City Saturday against the football team from Tifton, Ga. Captain Loonis Blitch made many spectacular runs, and proved himself a mighty receiver of forward passes.

Miss Legie Blitch and Miss Rowena Hammons returned Friday from In-

# Here are the Details of My Startling "Pay-as-You Ride" Policy

**OWN** your own car, pay for it as you use it--that's the whole story. You acquire property--you buy a home--you even furnish it on the same basis. Then why not an automobile?

I have supreme confidence in the permanency of the wonderful Maxwell organization and in the performance of the Maxwell automobile. I know that it represents the greatest "dollar-for-dollar" value to be found anywhere.

That's why I have selected the Maxwell as the most logical car for my "Pay-as-You-Ride" policy. I know your satisfaction in the Maxwell will increase day after day and year after year throughout the entire life of the car.

## This Policy a Sensation in Ocala

I say "a sensation" because it shatters the one barrier that has always stood between the man of moderate means and the possession of a reliable motor car. It ends the sacrificing of your savings--the danger of financial disaster that results from tying up a large amount of money in almost anything but gold bonds or real estate.

It enables you to know the benefits of the automobile in business and pleasure, by extending to you the privilege of completing your actual investment **after your purchase**--as you can afford.

## Positively Your Real Opportunity

Never before has such an opportunity been yours. Never before was such a real dependable, nationally-popular automobile offered on this plan. This offer merits your consideration. It is sound, sensible, bona-fide. For every man--even of moderate means--it is an exceptional business proposition.

At least, let's talk it over. Let me prove to you the value of the offer personally. It will not place you under any obligation to purchase.
